

## Ace Internet Services Pty Ltd

### Critical Information Summary

#### *AirStream / UrbanAir*

#### Information about the Service

##### *The service:*

AirStream/ UrbanAir is a wireless broadband service providing fast speed internet access with a monthly included data allowance, combined Down/Up load. Airstream is available across much of the Southern Highlands, including areas which cannot ordinarily receive a traditional ADSL broadband service. Urban Air is available in central areas of Bowral and Moss Vale. Once data usage has been exceeded the service will be shaped however you can continue using the service at the same speed by purchasing an additional data pump-up pack through your account manager login.

##### *Bundling:*

Every AirStream/ UrbanAir service includes a VoIP line with no additional rental costs. Usage of the service is at the discretion of the customer.

##### *Mandatory components:*

You will require a roof-mounted radio and a modem/router for this service. The monthly fee includes the rental cost for the roof-mounted radio and modem/router. Please contact us for further information.

A mandatory installation cost is incurred with the installation of every service. This installation cost includes, configuration of equipment in addition to the physical installation of the equipment.

##### *Minimum term:*

The service is available with a minimum term of 24 months.

##### *Important conditions:*

Coverage is subject to line-of-sight to one of our base stations. If line-of-sight is obstructed by trees or buildings, AirStream/UrbanAir may not be available.

Where speed is quoted in kbps you can calculate the speed in Mbps by dividing by 1000. E.g. 12000/1000 kbps is 12/1 Mbps.

For details of coverage and availability please visit <https://acenet.com.au/airstream> or call us to find out if you can be connected to this service at your location.

This service provides you with a dynamic IP address. Static IP addresses can be purchased at an additional cost. Please contact us for further information.

Complex installations will be quoted above the standard setup and installation cost prior to installation.
